HAYT FARMSTEAD, Poultry House II

HABS NO. NY-6300-J

HABS
NY
40-PA
2-5-

Location: Route 311, Patterson, Putnam County, New York

Significance: This poultry shed contributes to the significance of the Hayt Farmstead through its association with agricultural activities on the farm.

Description: This is a small wood frame structure, covered with drop siding and set on cinder block footings. It has a composition shingled slant roof and row of 9-light single-sash windows across the east elevation.

History: The date of this structure is unknown, but it was probably built in the early decades of the 20th century.

Sources: See Narrative Overview.

Architectural Historian: M.H. Bowers, Louis Berger & Associates, Inc., February 1989.
